

Cottonwood Drive Reconstruction

Project Limits: Bauer Road to Baldwin Street

Timeline: April 8-Mid May

What is being done?

Work is resuming on the Cottonwood Drive reconstruction project between Baldwin Street and Bauer Road in Georgetown Township.

Work will include paving the final layer of asphalt on the road, placing permanent pavement markings, plus performing various site restoration work.

Coinciding with the start of work on Cottonwood Drive is the start of work on the Ottawa County Parks Department’s Idema Explorers Trail, a 1.2-mile shared-use pathway which runs from Carriage Lane to Golfside Drive off of 10th Avenue.

The Road Commission is overseeing construction of the shared-use pathway project for the Parks Department.

When will this be done?

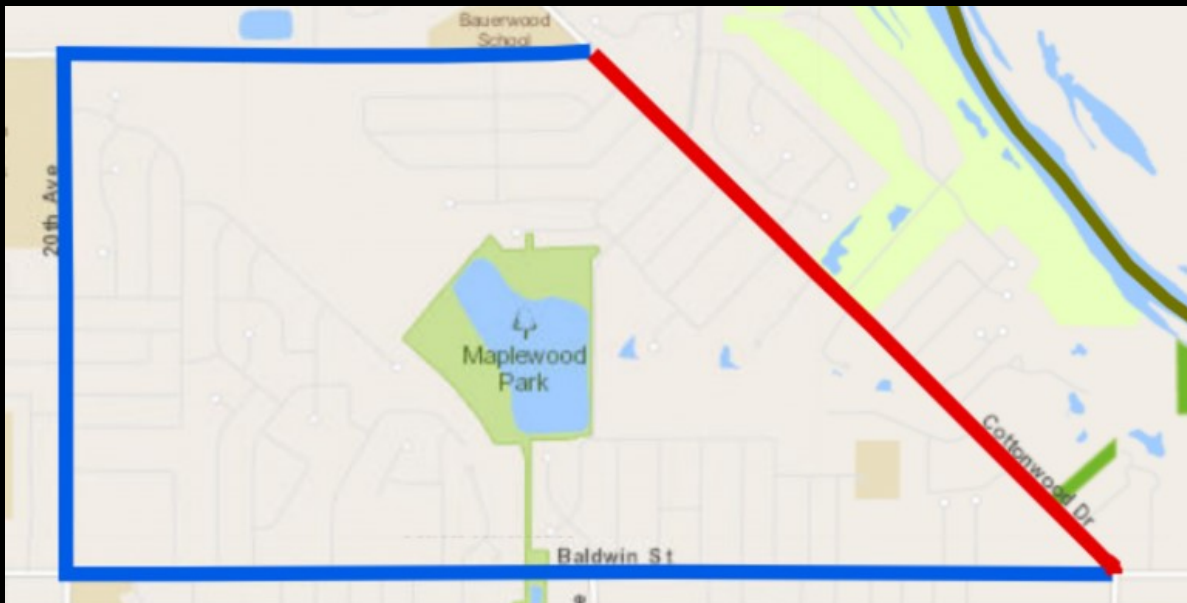

Contractors expect to tentatively finish work on the Cottonwood Drive reconstruction project by mid May, weather permitting.

The shared-use pathway is tentatively expected to be completed by late May, weather permitting

How will it affect traffic?

Cottonwood Drive will be closed to thru traffic. The OCRC asks that motorists who do not live within, or need to do business within the project limits follow the posted detour, which consists Baldwin Street/20th Avenue/Bauer Road.

Expect lane closures along 10th Avenue for work on the shared-use pathway.

Cottonwood Drive Detour

Red=Closure | Blue=Detour

Cottonwood Drive remains closed to through traffic north of Baldwin Street and south of Bauer Road. Please follow all posted detours during the remainder of this project.

The Ottawa County Road Commission thanks you for your cooperation.
